

The North Merrick Board of Education, in its continuing effort to encourage interested residents to participate in the budget process, is once again forming a Citizens' Budget Advisory Committee. Members of the Budget Advisory Committee assist the Board of Education by raising questions and suggesting additions or modifications to develop the final district budget.

Interested residents should contact the District Clerk, Mrs. Joanne Long, by email at [jlong@nmerrick.org](mailto:jlong@nmerrick.org) or by phone at 292-3695, as soon as possible in order to serve on the advisory committee.

Committee members would participate in the following two meetings:

- Budget Advisory Meeting #1: Tuesday, February 12, 7:00 p.m.
- Budget Advisory Meeting #2: Tuesday, March 12, 7:00 p.m.
