

NEW! Pay for Student Meals Online

Dear Parents/Guardians:

The North Merrick UFSD is excited to offer MySchoolBucks! This **optional** online payment service provides individuals with a quick and easy way to add money to your child's meal account using a credit/debit card or electronic check. There are different fee options to choose from online. **Please note the District does not receive any revenue on the fee for this service.** You will have the opportunity to review any fees and cancel if you choose, before you are charged.

In addition, this program enables you to review what is purchased by your child each day, check balances and set-up low balance alerts.

MySchoolBucks provides:

- Convenience - Available 24/7 on the web or with the Mobile App.
- Efficiency - Make payments for all your children. Only one account is required if you have multiple students in the district. Eliminates the need for your children to take money to school.
- Control - Set low balance alerts, view account activity, recurring/automatic payments & more!
- Flexibility - Make payments using credit/debit cards and electronic checks.
- Security – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

Go to www.MySchoolBucks.com and register for a free account. You will receive a confirmation email with a link to activate your account.
